Areas and unit mix figures are based on current work-in-progress scheme which excludes the final structural and M&E input

Unit Labelling: H = house, DU = Duplex, AP = Apartment, followed by the floor number, then sequential unit numbers. eg. APO105 = Apartment 05 on the first floor

Bicycle storage is shared with Plot L. The area indicated includes half of the total area of the storage located between plots L and N and the whole store between blocks N and R.

Private amenity at ground floor level includes front gardens and first floor balconies (duplex only).

GIA of ground floor includes plant rooms, bicycle storage and bin stores.

GIA includes lift and stair core.

GIA does not include external circulation.

Private amenity on first and above floors include planters.

Plots L and N share plant/store space between the plots. The areas includes half of the total area of the water tank room and cycle store.

Plant room area includes main plant room, telecoms room and half of the shared water tank room.
